

New Mazda5

...more than just a Compact Multi- Activity Vehicle (C-MAV)

Smart, spacious and stylish and now even more individual – the ideal work and family car.

What distinguishes the Mazda5?

The Mazda5's refreshed exterior styling lends it an even more individual and eye-catching appearance, but still retains that Mazda sense of daring - suggesting its wilder, more care-free side. Yet this challenging vehicle has managed to fuse the practical with the adventurous.

It's the perfect size for?

Take your pick. This is clearly a great family car. The twin sliding rear doors on both sides, which are unique in this segment, are easy for every family member to use. But it's also ideal for carrying friends, workmates, even your company five-a-side football team with seating for up to 7.
