...the world's best selling roadster

There's more than one reason why more than 750,000 Mazda MX-5s have been sold. Pick yours - you'll be spoilt for choice.

The world's best selling? That's right, the world's best selling lightweight open-top two-seater sports car, right across the globe. And with the third generation model, it's a record that looks set to continue.

But why a sports car? Of course, there's a certain amount of kudos attached to owning such an eye-catching car. But for astute owners, there's a lot more to this car than meets the eye. Low Whole Life and insurance costs mean the Mazda MX-5 has great residual values which is great for your business.
