

Mazda RX-8

...a revolution in sports cars

A four-seater sports car?

The Mazda RX-8 is the only sports car to truly seat four adults in comfort.

And four doors, too?

The Mazda RX-8's unique freestyle door system makes centre pillars extinct. The resulting easy access is both highly practical - and pleasing to the eye.

So the Mazda RX-8 looks great, but what else?

The Mazda RX-8's rotary engine is Euro IV compliant: and was 2003 and 2004's International Engine of the Year.

There's also an abundance of innovative in-cabin storage solutions in addition to the 290-litre boot. And with advanced braking systems, our stopping distance is as impressive as the acceleration.

The multi award-winning Mazda RX-8 balances the thrill of a sports-inspired drive with the practicality demanded of a daily-use car.
